Year 1: What is it like to live in Shanghai?

Geography is the study of the places in which we live.

China	A country in the continent of Asia.
continent	A large area of land that is split into countries.
Human features	Large features that were built by people
local	Close to where we live.
map	A drawing or picture of an area taken from above.
Physical features	Landforms that occur naturally on Earth.
Shanghai	A city found in China.
world	The Earth and all the people who live on it.

General Geographical Words

near, far, left, right, building, globe, journey, travel, transport, weather, seasons.

What can we see in our local area?	Can we map our local area?	Where in the world is China?	What can you see in China?	What is Shanghai like?	How is Shanghai different from our local area?
