

# Brookfield Primary School Knowledge Organiser

**Year 6: Can I carry out an independent fieldwork enquiry ?**

Geography is the study of the places and the relationships between people and their environment.

## The enquiry process

<b>analyse</b>	To look at something in detail.
<b>audience</b>	People who receive a message or watch a performance.
<b>data</b>	Numbers of facts collected to prove something.
<b>enquiry</b>	An investigation into a question.
<b>impact</b>	The influence one thing has on another.
<b>present</b>	To show something to other people.
<b>process</b>	Steps taken to achieve a particular outcome.
<b>route</b>	A way to get from one place to another, marked don a map.

### General Geographical Words

latitude, longitude, Greenwich Meridian, equatorial, climate zones, subterranean

Developing an enquiry question.	Creating data collection methods.	Mapping a route.	Collecting the data.	Analysing the data.	Presenting the data.
