

Brookfield Primary School Homework Activities – Autumn 2025

Year 5

Maths Using digit cards 0 – 9 and the four operations (+ - x ÷), how many number sentences can you create using each card only once?	English Read at least 3 times per week. To research the Niagara Falls	Science Research the life and work of Isaac Newton.	PSHE Considering the 5 Ways to Wellbeing, create a recipe for a healthy school.
DT Choose an object that has a motor and research how it works.	RE Research one of the different places of worship.	PE Design and create a water safety poster.	French Create a matching pairs card game based around dates, labelled in French.
Music Practice songs for Young Voices.	Computing Design an internet safety poster.	History To create a poster or information page about a chosen area of World War 2.	Geography Create a tourism leaflet to encourage people to visit the Alps. Consider: climate, human and physical features and recreational land use.

Please choose an activity each week with your child to complete at home. These can be completed in any order. The menu of activities supports what your child will be learning this term. Once they have completed their activity, please send a photograph / video of this to their class teacher via Class Dojo. Children will be rewarded for their completed homework.
