Deputy Headteacher: Mrs Laura Wray

Monday 17th June 2024

Dear parents and carers,

I would like to take the opportunity to update you on the outcome of the latest Ofsted inspection carried out in May.

During their visit to school on May 9th and 10th, the Inspectors found a great deal to celebrate. Most children enjoy coming to school and are keen to learn. As pupils learn how to conduct themselves, their behaviour is improving. Pupils in this school are safe and well looked after. They know how to stay safe and talk with staff if they are worried about something.

The report also acknowledges that the staff and governors are determined to improve this school and return it to the heart of the community. We were praised for the range of opportunities we offer which help to enrich pupils' experiences and build their confidence.

We are really proud that our Early Years provision was judged to be good. In all other areas we were graded as requires improvement; we believe this is a really fair judgement.

Parents and carers told the inspectors that they feel positive about how much the school has improved over recent months. Following a period of significant turbulence, the school now has much-needed stability. Can I please assure you that this report will be acted upon with rigour as we continue to work tirelessly to develop Brookfield Primary School, including the areas of concern highlighted in the report.

If you have any concerns or questions, please don't hesitate to contact me.

Kindest regards

Nicola Walker

Headteacher
