Absent:	

Agenda: • Ready/ respectful/ safe • School rewards

Discussion	Actions	When/ who
Firstly all children were welcomed and thanked for giving their time to the meeting. Discussion about their roles and responsibilities.		
Ready/ Respectful/ Safe: NW asked about the children's understanding of our school values. The children shared their ideas and also showed good awareness of what it means to be ready, respectful and safe. They referred to the information posters in our entrance hall. We created a poster with our ideas.	Share poster with all classes.	w/c 6/10/25 all staff
NW shared our current reward system and explained that the adults would like our rewards to promote our school values more directly. NW showed the 'Ready, Respectful, Safe' badges and asked the children for ideas about how they could be earned. The children agreed that a child should receive 7 ticks for consistently modelling school values, then they can be awarded a badge. RB talked about how at a previous school, the 'star of the week' took home a silver cup for the weekend. The school council listened to this idea; we'd like to introduce this but use an owl rather than a silver cup.	Share with staff/ children NW to source owls	Assembly 6/10/25
AOB: HC said he'd like to see the ladder idea developed to show our school rewards. School council asked if we could re-introduce the school rules song!	SLT to discuss Weekly Assembly	SLT
